Whoopie Pies

½ pkg (15.25-16.5 oz/430 - 450g) devil's food cake mix (about 1⅔ cups/400 mL cake mix)
½ cup (125 mL) sour cream
1 egg
½ pkg (12 oz or 340 g) prepared whipped vanilla frosting

1. Brush Microwave Egg Cooker with vegetable oil using Chef’s Silicone Basting Brush. Using Small Mix ‘N Scraper®, mix cake mix, sour cream and egg until blended in Classic Batter Bowl.

2. Using Medium Scoop, scoop 3 rounded scoops of batter into each well. Microwave on HIGH 2-2 ½ minutes or until center is firm and springs back when pressed.

3. Carefully loosen sides with releasing end of Cake Tester and Releasing Tool. Invert pies onto Stackable Cooling Rack.
